

NATHAN BAILEY– WINNER

Belonging

To belong on this earth,
I need smiles and laughter,
Not insults in my face,

To belong on the earth,
I like high fives from friends,
Not people spitting at my feet,

To belong on the earth,
I want hugs from family,
Not punches from bullies,

To belong in this world,
I need the love of family and friends,
If I don't, then I certainly don't belong.
